

SKF

NEW-GENERATION SINGLE-LINE OIL PUMP MCU SERIES

Output
0.2 L/min

Oil Viscosity
20 - 1 500 cst

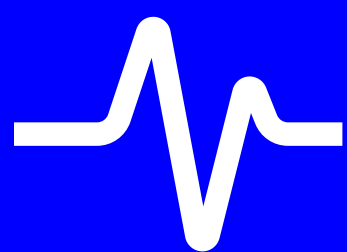

Compliance and Certification
IP54
CE

Improve efficiency and reliability

Fighting Friction:

Lubrication minimizes equipment friction

Protect your operation
with liquid level alarm and
pressure monitoring

Unique code for each
product for full traceability

Plug and play, integrated,
simplified, easy-to-install

International quality,
global supply
